

SRDITA Policy Repository – Sample Document

1. Academic Integrity

All students must uphold the highest standards of honesty and integrity in their academic work. Plagiarism, cheating, and other forms of academic misconduct are strictly prohibited.

2. Research Ethics

Researchers must follow ethical guidelines for data collection, experimentation, and publication. Human and animal subjects must be treated according to established protocols.

3. Attendance & Participation

Students are expected to attend lectures, seminars, and lab sessions regularly. Participation in collaborative projects is mandatory.

4. Submission Guidelines

All assignments, reports, and thesis documents must follow the prescribed format and deadlines.

5. Intellectual Property

Any invention, software, or research output produced during enrollment is subject to the institution's IP policy.

Please read the full documents in the SRDITA policy repository for detailed instructions and regulations.
